

## The Donald Driver Foundation Scholarship

"The Foundation's goal is to exert a positive influence for change on homeless family and education issues each day. We will accomplish this with STRONG HANDS that build and strengthen instead of destroy and weaken, with STRONG MINDS that invent new ideas to achieve these goals, and with LOVING HEARTS that overflow with love and compassion."

Hand in hand with homelessness looms inadequate education. Because of lack of income, inadequate funding for schools, and other socio-economic factors, many today are denied quality schooling. This often leads to poverty and then, to despair. Lack of education may be America's number one social issue. We intend to offer solutions that have an impact.

Ten (10) scholarships of \$1000 each are available to students in Mississippi, Texas, and Wisconsin. The award is renewable through the first year of undergraduate studies. \$500 will be paid directly to your school's financial aid office for your first semester. To maintain The Donald Driver Scholarship for your second semester you agree to:

- Maintain a 3.0 cumulative GPA. If a 3.0 is not met, please continue to send the Foundation your grades at the end of each semester. Your scholarship may be reinstated if your grades improve.
- Remain a full-time student (12 credit hours). The DDF will only award funding if you maintain full-time status.
- Mail a transcript or grade report to The Donald Driver Foundation that includes both semester and cumulative GPAs.
- Perform and participate in one service project that benefits homelessness, education, or low-income populations. Your service project must be approved by the Foundation.
